

## Tutoring Solutions, LLC launches Website

Tucson, Arizona, March 29, 2005—Tutoring Solutions, LLC private company, announced today that Tutoring Solutions, LLC reached four major milestones by launching their website [www.tutoringsolutions.net](http://www.tutoringsolutions.net), creating a specialized educational logo, growing the staff from one to eleven employees, and increasing revenue by a record five-hundred percent.

Debbie Rodriguez, Director and CEO, announced, "We are happy to announce the launch of our new website and logo completed by Black Hand Communication and Curve Graphic Design. This could not be possible without the help of our business and financial supporters. We thank the Microbusiness Advancement Center out of Tucson, Arizona, Count-Me-In based in New York, York and Compass Bank. We are grateful and appreciative for their efforts and patience. Tutoring Solutions continues to see strong demand for their services and expertise, and looks forward to increasing and building the resources to support the full Educational Services that Tutoring Solutions will come to offer. This will enable us to work with an increasingly larger number of individuals. Through our affordable and customizable tutoring programs, our clients will discover new learning skills, enhance self-esteem while striving towards their highest potential."

### **About Tutoring Solutions, LLC**

Headquartered in Tucson, Arizona, Tutoring Solutions is locally owned and operated and is a member of the National Association of Women Business Owners (NAWBO), Arizona Small Business Association (ASBA), and The Hispanic Chamber of Commerce.

**Debbie Rodriguez, Director**, a native Tucsonan and former teacher, started Tutoring Solutions in 2003. She has spent her entire career finding a better way to teach math. From inner city public schools to acclaimed magnet schools, to leading private and public companies, Debbie has served as both a classroom teacher and as a consultant. She has designed curriculum, teaching strategies, and teaching materials. She has trained teachers in the art and science of boosting student's ability to "do" math, thereby increasing their math scores and feeling of self-worth. Debbie has State of Arizona Teacher Certification, over 24 semester hours in mathematics and 15 plus years experience in the education field including over 5 years experience in private industry. Debbie holds a M.Ed. from the University of Arizona and a Bachelor of Science degree in Accounting from Arizona State University's W. P. Carey's School of Business. During that time she was a proud participant in the Coors Service Program, Project BEAM (Bilingual Educators Accessing Mathematics) and a recipient of the Regents Scholarship. Her industry experience has included Prentice Hall, Misys Healthcare Systems and Arthur Young and Company.
